

DutchWest
Plate Steel Wood Stoves and Insert

Warmth. Quality. And
Famous Dutchwest Value

Dutchwest Wood

Wood Stoves Built to Warm and Built to Last. At Dutchwest, we design every one of our wood stoves to deliver superior performance, durability, and value.

Premium Steel-Cast Stoves

Style and performance – heavy 5/16" thick top; firebrick firebox lining, cast-iron door, air hood, ash lip, and base elements. Three sizes. All models include convenient ash drawer. All cast iron components are made in our Vermont foundry. Polished Nickel handle to match today's interior finishes. Convective side panels reduce side clearances.

Three Sizes:

- Small (1,000 sq. ft): Leg DW1000L02
- Medium (1,500 sq. ft): Leg DW1500L02
- Large (2,000 sq. ft): Leg DW2000L02

Cast Iron Legs

Wood Insert Model DW2500X02 - The Perfect Solution to an Inefficient Masonry Fireplace.

Crafted with the same sturdy construction as our wood stoves, the Dutchwest masonry wood insert is designed for existing masonry fireplaces. Standard features include a brick-lined firebox, blower, and faceplate (44 1/8" W x 31" H) with nickel trim.

Heating capacity up to 1,500 sq. ft.

Wood Insert DW2500X02

Stoves & Insert

GREEN-BURN non-catalytic combustion technology results in low exhaust emissions for clean air. More complete combustion means more heat for less wood and longer lasting fires.

Value Line of Steel Stoves

Durable and feature rich at a value price. Stylish rolled top adds durability without adding unnecessary bulk – 3/16" thick top has strength of 5/16" flat top. Cast iron doors provides a large ceramic glass viewing area. Air wash design helps maintain a clean glass. Firebrick firebox lining.

CDW247001

Mobile Home Approved Wood Stove Model CDW247001

- Heating capacity up to 1,000 sq. ft.
- HUD approved for use in mobile homes; outside air connection
- Reduced clearance convection side panels
- Cast flue collar and cast ashlip

CDW244

Small Steel Wood Stove Model CDW244

- Heating capacity up to 1,000 sq. ft.
- Features cast iron door with steel legs
- Cast flue collar, cast ashlip and cast legs

CDW270007

Medium Steel Wood Stove Model CDW270007

- Heating capacity up to 1,500 sq. ft.
- Features pedestal base with ash drawer
- Cast flue collar and cast ashlip

CDW300007

Large Steel Wood Stove Model CDW300007

- Heating capacity up to 2,000 sq. ft.
- Features pedestal base with ash drawer
- Cast flue collar and cast ashlip
